Dear Parents:

Saint Ignatius Loyola Regional School is committed to providing a high quality education in the Catholic tradition. The faculty, staff and administration work each day to achieve this goal and to meet the needs of every student. Saint Ignatius provides children an opportunity to learn in a nurturing environment where they develop spiritually, academically and socially.

The school is very blessed to have highly qualified and dedicated teachers. These teachers make countless contributions to the school and parish community. They ensure the advancement of Catholic education at Saint Ignatius Loyola Regional School by preparing students academically so they develop into lifelong learners. The faculty strives to inspire our students to become faith-filled individuals and responsible citizens.

It is our philosophy to motivate and challenge students academically. Students are grouped by abilities in Mathematics and Reading. Flexible grouping allows each student to be placed where he or she will be challenged by the material and find the most success. Additionally, Saint Ignatius Loyola Regional School offers an array of extracurricular activities to enhance your child's educational experience.
