## SCHOLARSHIP INFORMATION 2012 – 2013 SCHOOL YEAR

Dear Parents:

A Catholic education offers many advantages for your child:

- ✦ an opportunity to learn about your faith on a daily basis
- ✦ an opportunity to put your faith into practice
- ✦ morals and values
- ✦ safe, secure environment
- ✦ challenging academics
- ✦ field trips
- ✦ parental involvement

While the cost of a Catholic education does continue to rise, scholarship money is available to help defer the cost. Some of the organizations that sponsor partial scholarships are as follows:

- CEO America  
This scholarship provides 3-year aid for financially disadvantaged children in PA to attend a parochial school (when transferring from a public school). More information is available at [www.ceoamerica.net](http://www.ceoamerica.net)
- Eastern Pennsylvania Scholarship Fund (EPSF)  
This scholarship is awarded to households who have a combined annual income not to exceed \$50,000, increased by \$10,000 for each dependent living within the household. Applications are available through the school. Applications need to be submitted to Mr. Birmingham by April 15.  
Your **2011 PA-40 State Income Tax Return** must be included.

**Students must be enrolled for fall to be eligible for scholarships. Eastern Pennsylvania Scholarship Fund forms will be available on our website as soon as they become available.**

Yours truly,

Robert M. Birmingham
