

2024 SUMMER OLYMPIC READING CHALLENGE

WELCOME TO THE SUMMER READING CHALLENGE

This summer the USA will compete in the Olympic games in Paris, France. We are kicking off the fun with an Olympic themed reading challenge! We shared so many great books together in the library this year, and we would like to keep the excitement going over the summer! Have fun reading & going on new literary adventures while you cheer on team USA!

HOW TO PARTICIPATE

1. Read the books and complete 2 of 3 activities listed on each page. Record the books and parent signature on the page included.
 2. Once books and activities are complete, color or decorate the ring in the color listed at the top of the page. Assemble the rings and glue together to form the Olympic Rings. (Be creative! These will be on display!)
 3. Hand in your completed rings and record sheet on the first day of school.
